Hi Deshonne,

Can we send this case to OIPE to correct the name of the first inventor from "Youko Hirakawa" to "Yoko Hirakawa"? The correction came under the supplemental ADS of 11/30/07.

Thank you,
Lynn

Entered into file as a result of Paralegal Magdalena Greer's telephone message of 4/2/10 that OIPE had not corrected inventor's name pursuant to conversation of 3/30/10. /lab/
